Dear Admiral Turner:

Another former summer-intern and I have learned that you are scheduled to make a presentation at the J.F.K. School of Government on November 30. We both have had the opportunity to work with you in 1977 while serving on one of the employee panels organized over that summer by [redacted] and hope to have the opportunity to see you again when you come to Harvard. As law students our schedules are quite flexible, so we hope that there might be some time to meet at your convenience.
